Friday, 7th October - fourthwall contemporary theatre "Travels with my Aunt"

Graham Greene revealed that he wrote this book for fun and based some characters on friends and acquaintances. Fun it certainly is and entertainment of the highest standard.

This excellent production directed by Peter Dann is not to be missed.

Attention Dog Owners

I have been asked to warn villagers about a spate of dog poisoning.

Apparently, it started in Plymouth with rat poison and anti-freeze being put down in Central Park and has now been reported in Denham Woods and Crapstone.

The anti-freeze is sweet and appeals to dogs. It is put down in puddles.

Please keep an eye on your dog and contact your vet immediately if your dog is affected.

This website gives the signs of antifreeze poisoning:
